**\*Optional activities:** students who opt out of these activities will stay in the classroom with second period teacher. If the majority of a 2<sup>nd</sup> period class wants to attend an optional activity, it is the responsibility of the instructor to find a classroom for those few that opt out. Please ensure your 2<sup>nd</sup> period students are monitored and either in a classroom or at the offered activity.

**\*\*Required activities:** Please direct your 2<sup>nd</sup> period students to the correct location for required activity and monitor if possible. All teachers should be monitoring students either in testing, in your classroom, or at the location of the daily activity.

**Important notes:** Bells will not be running during testing period. Please keep an eye on the clock to help ensure students are where they're supposed to be based on the above schedule. No student should be in the hallway or bathroom during the testing period without a hall pass.
