Dear WUHS Senior Parents,

The week following spring break, Tuesday, April 23-Friday, April 26th, CAASP testing will take place for all WUHS Juniors from 8:45-10:45am. Because your senior has been identified as on track to graduate, they do not need to attend school during the testing period. If your student chooses not to attend school during this time, they must provide their own transportation to school and arrive for a 10:50am start time. Regular transportation will be provided at regular time during the testing week for those who need it. Transportation is not provided for seniors choosing to arrive for class at 10:50am. Seniors who **do** attend school during testing week at regular school hours will attend their 1st period and will be able to participate in on campus activities with other students on campus that are not testing.

During testing week, all seniors are invited to attend the **WUHS Class of 2019 Graduation Cap Decorating Party on Tuesday, April 23rd from 9:30-10:45am**. Seniors will be provided with a blank overlay template to decorate that can be adhered to their graduation cap and worn during the 2019 graduation ceremony. Please provide your senior with art and craft supplies to decorate their cap template. Limited supplies will be provided.

Reminder, there is no school on Monday, April 22nd.

Please contact Mrs. Embree at (530)633-3100 Ext. 177 with any questions.

Respectfully,

Cy Olsen

Vice Principal
