VISION STATEMENT

Wheatland Union High School sets high standards for both students and staff using a collaborative system of support. We believe every student can obtain academic excellence. Students are given the tools necessary to enhance their work ethic, develop life skills, and utilize today’s technology to create college and career connections that have…Real World Relevance!
ATTENDANCE

Attendance is a critical factor in school success for students. Studies have shown that consistent school attendance, academic success, and school completion have a positive correlation. The educational process requires continuity of instruction and students need to experience classroom discussions, debate, and independent study in order to increase achievement. The purpose of Wheatland Union High School District’s Attendance policy is to ensure the maintenance of an adequate record of verifying the attendance of all children during days of instruction and to establish a mechanism by which the patterns of pupil absence can be examined to develop effective intervention strategies. This procedure will permit each school to know the whereabouts of every student for safety and school management reasons and will help students succeed at meeting the California State learning standards.

**Maximum Absence Rule**

One of the goals of WUHS is to prepare our students for a productive adult life. As we all know, a vital part of adult life is holding down a job. Employers often say that the first step to keeping a job is BEING THERE and being there ON TIME! Our attendance rules are designed to help students develop these skills.

Students are not allowed to miss more than three (3) days in one quarter. Students in which excused AND unexcused ALL-DAY absences reach four (4 or more) in a quarter, will need to attend Saturday School. Saturday School is offered approximately once a month.

*Students need to maintain this attendance rate in order to participate in school activities such as athletics, activities and graduation.*

**Skipping School**

There is no school sanctioned senior skip day or any type of skip day. All absences that do not fall under Education Code as an excused absence will be marked unexcused.

**Absences**

Wheatland Union High School is working to improve our students’ attendance and the process we use to verify absences. Your attendance is very important to us. If you are not here, you cannot participate in the learning activities of the day. There is also a financial impact of students being absent. Each day a student is not in attendance, a school loses money regardless of the reason or purpose of the absence. Money is vital to keeping our programs such as academic support, elective programs and athletics strong. We highly recommend that every student attend a portion of every school day. If an absence is unavoidable, the following steps should be followed. These steps apply to every absence, excused or unexcused, all day, or partial day:

1. When a student is absent, a parent or guardian must call the office the morning of the absence, giving the reason for the absence.

2. When the student returns to school, they need to pick up a readmit in the Attendance Office. If a parent or guardian did not call the school, the student needs to bring a written note.

   If an absence is not cleared within two days of a student returning to school, the absence will turn into a cut or truancy. Vacations, shopping trips, or any absence other than illness or religious reason; are technically unexcused absences as identified in the California Education Code.
Method of Verification

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences:

1. Written note from parent/guardian, parent representative, or student if 18 or older, if letter on file in the Attendance office. (Education Code 46012)

2. Conversation, in person or by telephone, between the verifying employee and the student’s parent/guardian. The employee shall subsequently record the following:
   a. Name of student
   b. Name of parent/guardian or parent representative
   c. Name of verifying employee
   d. Date or dates of absence
   e. Reason for absence

3. Visit to the student’s home by the verifying employee, or any other reasonable method which establishes the fact that the student was absent for the reasons stated. A written recording shall be made, including information outlined above.

4. Physician’s verification
   a. When excusing students for confidential medical services or verifying such appointments, district staff shall not ask the purpose of such appointments but may contact a medical office to confirm the time of the appointment.
   b. When a student has had 10 absences in the school year for illness verified by methods listed in #1 - #3 above, any further absences for illness must be verified by a physician.

Excused Absences (Students)

A student’s absence shall be excused for the following reasons:

1. Personal illness (Education Code 48205)
2. Quarantine under the direction of a county or city health officer (Education Code 48205)
3. Medical, dental, optometric, or chiropractic appointments (Education Code 48205)
4. Attendance at funeral services for a member of the immediate family (Education Code 48205)
   a. Excused absence in this instance shall be limited to one day if the service is conducted in California or three days if the service is conducted out of state. (Education Code 48205)
   b. “Immediate family” shall be defined as mother, father, grandmother, grandfather, spouse, son/son-in-law, daughter/daughter-in-law, brother, sister or any relative living in the student’s immediate household. (Education Code 45194, 48205)
5. Jury duty in the manner provided by law (Education Code 48205)
6. Participation in religious instruction or exercise in accordance with district policy.
   a. In such instances, the student shall attend at least the minimum school day. (Education Code 46014)
   b. The student shall be excused for this purpose on no more than four school days per month. (Education Code 46014)

In addition, a student’s absence shall be excused for justifiable personal reasons. Advance written request by the parent/guardian and approval of the principal or designee shall be required for absences for: (Education Code 48205)

1. Appearance in court
2. Attendance at a funeral service – immediate family funeral
3. Observation of a holiday or ceremony of his/her religion
4. Attendance at religious retreats for no more than four hours during a semester
5. Employment interview or conference
   In addition, if a student is the custodial parent of a child, his/her absence shall be excused when the child is ill or has a medical appointment during school hours. (Education Code 48205)
   All other absences are considered unexcused and will be identified as unexcused or truant. Students may not be allowed to make up work missed during an unexcused absence. This may lead to the reduction of a student’s grades. If a student will be absent due to a planned appointment or vacation, students must notify their teacher’s at least three days prior to the absence and parents must notify the office of the planned absence.
Truancy

1. Students shall be classified as truant if absent from school without a valid excuse three full days in one school year, or tardy or absent for more than any 30-minute period during the school day without a valid excuse on three occasions in one school year, or any combination thereof. Such students shall be reported to the Superintendent or designee. (Education Code 48260)

   The parent/guardian of a student classified as a truant shall be notified of the following:
   (Education Code 48260.5)
   a. The student is truant.
   b. The parent/guardian is obligated to compel the student to attend school.
   c. The parent/guardian who fails to meet this obligation may be guilty of an infraction of the law and subject to prosecution pursuant to Education Code 48290-48296.
   d. The parent/guardian has the right to meet with appropriate school personnel to discuss solutions to the student’s truancy.
   e. Alternative educational programs are available in the district and the School Attendance Review Board (SARB) may make an involuntary transfer of a student if deemed appropriate by the SARB.
   f. The student may be subject to arrest by a probation officer, a peace officer, a school administrator, an attendance supervisor or his/her designee under Education Code 48264 if found away from home and absent from school without a valid excuse.
   g. The student may be subject to suspension, restriction or delay of his/her driving privilege pursuant to Vehicle Code 13202.7.
   h. It is recommended that the parent/guardian accompany the student to school and attend classes with the student for one day.

2. Upon his/her first truancy, a student may be given a written warning by a peace officer. A record of this warning may be kept at school for at least two years or until the student graduates or transfers from the school. If the student transfers, the record may be forwarded to the new school. (cf.5125 - Student Records)

3. Upon his/her second truancy within the same school year, a student may be assigned to an after-school or weekend study program within the county. If the student fails to successfully complete this study program, he/she shall be subject to item #5 below.

4. Upon his/her third truancy within the same school year, a student may be referred to, and required to attend, an attendance review board, a truancy mediation program established by the district attorney or the probation officer, or a comparable program deemed acceptable by the Superintendent or designee. If the student does not successfully complete the truancy mediation program or other similar program, he/she shall be subject to item #6 below.

5. Upon his/her fourth truancy within the same school year, the student shall be classified a habitual truant as defined in Education Code 48262. (Education Code 48264.5) A habitual truant may be referred to a school attendance review board or to the probation department. (Education Code 48263)

   When a student is referred to a school attendance review board or to the probation department, the Superintendent or designee shall provide the student and parent/guardian, in writing, the name and address of the school attendance review board or probation department and the reason for the referral. This notice shall indicate that the student and parent/guardian will be required, along with a district staff member, to meet with the school attendance review board or probation officer to consider a proper disposition of the referral. (Education Code 48263)

6. If a student in grades 7-12 has been judged by the county juvenile court to be a habitual truant or habitually insubordinate or disorderly at school, or if a student has been required by the court to attend school as a condition of probation, the district shall inform the juvenile court and the student’s probation or parole officer, within 10 days, whenever that student is insubordinate, disorderly at school, or truant or tardy without a valid excuse. (Education Code 48267)

   The Superintendent or designee shall gather and transmit to the County Superintendent of Schools the number of referrals and types of referrals made to the school attendance review board and the number of requests for petitions made to the juvenile court. (Education Code 48273)
**Tardiness**

After the class bell rings, any student not present, seated and ready to work or follow instruction will be counted tardy. A tardy becomes an unexcused absence after 30 minutes. Any student who accumulates five cumulative tardies will be issued a referral for disciplinary action to be served on a specified date.

There is no such thing as an “excused” tardy. Tardiness will not be excused for oversleeping, missing the bus, working on schoolwork, or other reasons deemed inappropriate by the principal. Students held over by a teacher in the prior class who bring a note from that teacher, or students who are held in the office by the principal or counselor will not be considered tardy to their next class. Students who are habitually tardy may be subject to more severe disciplinary action.

**Leaving Campus**

Students must get an early dismissal from the office prior to leaving campus. (This rule applies even when the student is being pick-up by their parent/guardian.) If a student leaves campus without an early dismissal, it will be considered a cut absence.

** Delivering Messages or Personal Items**

Since it is our desire to maintain a learning environment that is uninterrupted, the Attendance Office will not deliver items or messages to students in non-emergency situations. Students are responsible for bringing everything they need at the start of the school day. This includes homework assignments, study materials, uniforms, athletic equipment, and lunches. We do not relay phone messages to students except in the case of an emergency. Please remind students of doctor and other appointments and transportation arrangements before the student leaves home in the morning. We appreciate your understanding that instructional time should not be interrupted.
SENIOR ATTENDANCE REQUIREMENT

An attendance rule for all 12th graders was implemented beginning August 14, 2019. All seniors must meet the minimum period threshold of 92% attendance for the current year enrolled to participate in graduation ceremonies. Both excused and unexcused absences as well as tardies factor into this minimum period attendance percentage. Absences due to school-sponsored trips and/or activities and college placement exams do not factor toward the 92% attendance requirement. Student visits to an accepted college campus must be approved by administration to not factor toward the attendance requirement. Verified school activities such as FFA events, athletic events, administrator discretion, etc. do not factor in as well. The 92% attendance rate for a 180-day school year means that seniors must not miss more than the equivalent of 14.4 school days which is equal to 100 class periods to be eligible to participate in graduation ceremonies. Two total tardies will count as one period absence, meaning that 14 tardies is the equivalent of one full school day.

Students who have missed days during the year will be allowed to makeup missed days during Saturday school. Saturday school will be offered throughout the 19/20 school year from 8:00 am-12:15 pm. One day of Saturday school is the equivalent to 1 school day.

Seniors who are deemed ineligible to participate in graduation ceremonies may appeal the decision in writing. The appeal must be submitted to the Principal/Superintendent. The appeal procedure will be as follows:

1. A panel that includes two teachers, one classified staff member, and one counselor.
2. The Principal/Superintendent (or designee) shall serve as the committee chair and will have the fifth vote.
3. The Assistant Principal (or designee) shall present an overview of the case to the committee but will not be a voting member.
4. One of the two teachers shall be one appointed by the student appealing his/her privilege to participate in the graduation ceremony.
5. The committee’s decision shall be binding with a majority vote.
6. No further appeals will be accepted after the appeals committee has made its findings.
7. All appeals must be delivered to the Principal/Superintendent at least FIVE DAYS prior to graduation ceremonies.
8. The committee will convene as soon as possible after receipt of an appeal request.
9. The five-day requirement may be waived by the Principal/Superintendent.

Written Appeals for Attendance

1. All appeals must be in letter format.
2. The letter shall state the reason the student was denied participation in graduation ceremonies.
3. The letter must contain reasons for mitigating the denial.

There will be warnings and reminders throughout the year given to students and parents by school staff if they are accumulating excessive class period absences and tardies.
**Academic Requirement**

A student will not be allowed to participate in the graduation ceremonies should he/she receive more than two semester F’s during their senior year (*semester F’s*). If he/she receives **more than two semester F’s** their senior year he/she will not be allowed to participate in graduation ceremonies but will still receive a diploma providing he/she has completed the remaining graduation requirements. For example, a senior may earn an F for the first semester in one class and another F at the end of the second semester and still participate in the graduation ceremonies as long as the F’s were not in a class needed for graduation such as Civics, Economics, and English. However, if a senior receives **two F’s** in his/her first semester grades and another F for the second semester grades, he/she will not be allowed to participate in graduation ceremonies.

There will be warning letters sent out to students and parents at the end of each grading report if the student is failing one or more classes. We also strongly encourage parents to check the parent portal daily.

**Senior Pranks**

Any student who is identified or caught participating in a senior prank which results in the illegal entry of the school, vandalism on any WUHSD property/campus, disruption of the educational process (including, but not limited to using staff resources), illegal activity on any WUHSD campus, or criminal damage to the campus will be charged and may receive an out of school suspension, and will not be allowed to participate in the graduation ceremony. Any activity deemed as organized or individually initiated will be considered a school prank. Wheatland Union High School District will enforce a **ZERO TOLERANCE** policy for individuals identified or caught participating in a senior prank.

Work Detail

Administration, with parental permission, may assign work detail in some cases involving less serious offenses in lieu of out-of-school suspension.

Progressive Disciplinary Consequences

In the event of multiple referrals, as a result of different behavior violations or occurrences, even though they may be in different levels of the disciplinary matrix, the consequences may result in an increased degree of accountability.

| Two referrals in one day | One-day Suspension |
| Three referrals         | Saturday School    |
| Four referrals          | One-day Suspension |
| Five referrals          | Two-day Suspension |
| Six referrals           | Three-day Suspension|
| Seven referrals         | Four-day Suspension |
| Eight referrals         | Five-day Suspension |

For example, one referral for a dress code violation, a second referral for tardies, and a third referral for disruptive classroom behavior can result in a Saturday School. Then, for instance, should there be a fourth referral for cell phone usage, a one-day suspension may be the disciplinary consequence. These would be minimum disciplinary consequences with a greater degree of accountability for more serious discipline code violations.

Privileges such as participation in/or attendance at school activities such as dances, games, field trips, etc., may be denied as an intervention to modify student behavior.

Public Display of Affection (PDA)

No inappropriate displays of affection are allowed on campus or at school functions.

Student Possession and Use of Cell Phones/iPods and Other Electronic Devices

- This policy is meant to help maintain an educational focus in the classroom and other study areas and respect the needs of our students to have reasonable access to their phones and other electronic devices. We acknowledge that this is the age of instant communication as well as the need to maintain a proper environment for students, faculty and the educational process.

- CELL PHONES, iPods, OR OTHER ELECTRONIC DEVICES ARE NOT TO BE USED IN THE CLASSROOMS UNLESS AUTHORIZED BY THE CLASSROOM TEACHER. Cell phones and all other electronic devices must be turned off and out of sight during class time. If a student is using the bathroom or walking to and from the bathroom during class time, the phone must be turned off and out of sight. Any student who violates this policy will have the phone or electronic device confiscated.

- Refusal to comply with confiscation of an electronic device will result in suspension from school (Education Code 48901.5)

- Cell phones, iPods or other electronic devices may be used before/after school, during passing periods, and lunch periods.

- An administrator or faculty member can give a student permission to make a call from a cell phone.

- Please be aware that call your student during the school day may place him or her at risk of disciplinary action. Parents should continue to call the school for any emergency situations. We will contact your son/daughter.

- The use of camera phones is strictly forbidden in private areas, such as, locker rooms, washrooms, dressing areas, classrooms and offices at any time. Such use may also be in violation of the criminal code.

- Wheatland Union High School is not financially responsible for the replacement of any electronic device which is lost or stolen

Internet Terms and Conditions of Use

1. Acceptable Use – The purpose of the backbone networks making up the Internet is to support research and education in and among academic institutions by providing access to unique resources and the opportunity for collaborative work. The use of your account must be in support of education and research and consistent with the educational objectives of the Wheatland Union High School District. Use of any other organization’s network or computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any national or state regulation is prohibited. This includes, but is not limited to copyrighted material, threatening or obscene material, or material protected by trade secret.

2. Privileges – The use of the Internet is a privilege, not a right, and inappropriate use will result in a cancellation of those privileges. **Alcohol, Drugs and Tobacco**

It shall be the policy of the Governing Board to take positive action through education, counseling, parental involvement, medical referral, and police referral in the handling of incidents in the schools involving the possession, sale, and/or use of behavior affecting substances and drug paraphernalia. These substances shall include, but not be limited to, marijuana, LSD, glue, alcohol and barbiturates. (cf. 6164.11–Drugs, Tobacco, Alcohol) (cf. 5114–Suspension and Expulsion/Due Process)

School properties may be inspected by school authorities in the interest of maintenance, health and safety. Inspections for the location of drugs, narcotics, liquor, weapons, poisons, and missing properties are matters relating to health and safety and may be regarded as reasonable purposes for inspection by school personnel; so long as such inspections are conducted in accordance with constitutional requirements of applicable state laws related to searches and seizures. (cf. 4144—Discipline/Punishment) (cf. 5145.12—Search and Seizure)

Because the use of alcohol and other drugs adversely affects a student’s ability to achieve academic success, is physically and emotionally harmful, and has serious social and legal consequences, the Governing Board intends to keep district schools free of alcohol and other drugs.

The Board desires that every effort be made to reduce the chances that our students will begin or continue the use of alcohol and other drugs. Alcohol, like any other controlled substance is illegal for use by minors. The Superintendent or designee shall develop a comprehensive prevention program that includes instruction, intervention, recovering student support, and enforcement/discipline. The Superintendent or designee shall clearly communicate to students, staff, and parents/guardians all Board policies, regulations, procedures and school rules related to this prevention program.

Recognizing that keeping schools free of alcohol and other drugs is a concern common to the district and community, the Board supports cooperation among schools, parents/guardians, law enforcement and other appropriate community organizations involved in preventing alcohol and other drug abuse.

Smoking or the possession of tobacco products by pupils while on campus, while attending school-sponsored activities, or while under the supervision and control of district employees is prohibited.

The district shall provide preventative instruction which helps students to avoid the use of alcohol or other drugs and teaches students how to influence their peers to avoid and/or discontinue the use of alcohol or other drugs. Instruction shall be designed to answer students’ questions related to alcohol and other drugs.

The instructional programs will help students obtain and use current and accurate information, develop and maintain a positive self-concept, take positive actions to cope with stress, and use appropriate social and personal skills to resist involvement with alcohol and other drugs.

The curriculum will be in grades 9-12, comprehensive and sequential in nature and suited to meet the needs of students at their respective grade levels.

The Board encourages staff to display attitudes which make them positive role models for students with regards to alcohol and other drugs. Staff should help students see themselves as responsible partners in efforts to maintain a safe and constructive school climate.

All instruction and related materials shall stress the concept of “no unlawful use” of alcohol or other drugs and shall not include the concept of “responsible use” when such use is illegal.

**Intervention**

The Board recognizes that there are students on our campuses who use alcohol and other drugs and can benefit from intervention. The Board supports intervention programs that include the involvement of students, parents/guardians, and community agencies/organizations.

The Board finds it essential that school personnel be trained to identify symptoms which may indicate use of alcohol and other drugs. The responsibilities of staff in working with, intervening, and reporting students suspected of alcohol and other drug use shall be clearly defined in administrative regulations.

**Recovering Student Support**

The Board recognizes the presence of recovering students in the schools and the necessity to support these students in avoiding re-involvement with alcohol and other drugs. The Board shall provide ongoing school activities which enhance recovery.

**Enforcement/Discipline**

The Superintendent or designee shall take appropriate action to eliminate possession, use or sale of alcohol and other drugs and related paraphernalia on school grounds, at school events, or in any situation in which the school is responsible for the conduct and well-being of students. Students possessing, selling and/or using alcohol or other drugs or related paraphernalia shall be subject to disciplinary procedures which may result in suspension or expulsion and the removal from participating in any school sponsored event including graduation.

The location of distribution may be determined by the administration. Flyers may only be posted on campus bulletin boards. The parties distributing flyers/literature are also responsible for taking them down. Failure to do so may result in loss of privilege.

**Free and Reduced Lunch**

Free and reduced applications are located in the Main Office. Students wishing to apply need to return the form fully completed with the parent/guardian signature. Please return signed applications to the Main Office. Once eligibility is established, students will receive the adjusted lunch price (free or reduced) when they go through the lines.

**Library Books / Textbooks**

Students are responsible for all library books they check out and all textbooks issued to them by Wheatland Union High School. Library books and textbooks must be returned in good condition.

**Lost and Found**

The Lost and Found is located in the main office. All personal items such as clothing, books, sports equipment, etc., should be clearly labeled in indelible ink. Wheatland Union High School cannot be responsible for any of these items. Items turned into the office that are plainly marked will be returned to the owner. Unmarked items will be placed in Lost and Found. Unclaimed items are donated to local charities after each quarter.

**Lunch**

Wheatland Union High School campus is closed. Students may not leave for lunch, and students passes may not be used to go out to lunch or to leave class to pick up a lunch delivered by a parent. Students may bring lunch from home or purchase food in the cafeteria. Students may not order food from outside vendors for delivery to the Wheatland Union High School campus unless he/she has prior permission from administration.

**Mandated Reporters**

All school personnel are mandated reporters of suspected abuse and/or neglect. Mandated reporters are required to report suspected child maltreatment immediately when they have “reasonable cause to believe that a child who is 17 years of age or younger and known to them in a professional or official capacity has been harmed or is in danger of being harmed - physically, sexually, or through neglect - and that a caregiver either committed the harm or should have taken steps to prevent the child from harm.”

No one in the workplace, even a supervisor, is permitted to suppress, change, or edit a report of abuse. A mandated reporter who willfully fails to report suspected incidents of child abuse or neglect is subject to license suspension or revocation and commits a misdemeanor. Falsely reporting information to the hotline is also a misdemeanor.

**Parental Involvement**

Wheatland Union High School recognizes the fact that schools cannot work in isolation from parents and families in educating youth. By working together, parents and Wheatland Union High School educators can create an educational experience for each student that allows learning to continue at home and beyond the classroom walls. Research shows that:

- When parents are involved, students tend to achieve at higher levels in school, regardless of socioeconomic status, ethnic/racial background, or parents’ education level.
• The more extensive the parent involvement, the higher the student achievement.
• When parents are involved in students’ education, those students generally have higher grades and test scores, better attendance, and complete homework more consistently. Students whose parents are involved in their lives have higher graduation rates and greater enrollment rates in post-secondary education.
• In programs designed to involve parents in full partnerships, student achievement for disadvantaged children not only improves, but can also reach levels that are standard for middle-class children.
• If parents do not participate in school events, develop a working relationship with their children’s educators, or keep up with what is happening in their children’s school, their children are more likely to fall behind in academic performance.

Parking
Student parking at Wheatland Union High School is considered a privilege. All students who are eligible to park on campus are required to display a valid parking permit. Students who wish to park on campus must complete a parking application to submit to the attendance office for approval. We reserve the right to revoke parking privileges at any time.

Cars that are parked without valid documentation displayed or in an unassigned parking space, may be towed. Students who do not receive a permit to park on campus can find sufficient on-street parking on the perimeter of the campus.

Personal Property
The school is not responsible for lost or stolen items (including cell phones and other electronic items). The student’s name should be placed on all personal items. When a student goes to the gym to dress, all valuables should be locked in a gym locker. Students should guard their combinations and make sure their P.E. lockers are locked.

Physical Education Uniforms
Wheatland Union High School students are required to dress out in all physical education classes. Uniforms, a gray shirt and blue shorts, are required, as a service you may purchase locally or from the Main Office for $20.00. The shirt and shorts may be purchased individually for $10.00 each. Students must have their I.D. card to check out a loaner. Each student will be assigned a locker and lock. Students are required to dress out but not required to purchase the uniform from Wheatland Union High School.

Safety in Science Labs
The following lab procedures are intended to ensure that the Wheatland High School science laboratories are a safe place to learn. It is always the student’s responsibility to know these procedures and to follow them during lab activities. Any violation of these procedures can put the student and others at risk. Consequences may include immediate removal of the student from the laboratory and zero credit earned for the lab with NO opportunity for make-up, paying for damaged equipment, suspension, and forfeiture of all lab privileges.

• Read and follow all instructions carefully before beginning a lab. Also, be sure to listen to the teacher and only perform experiments authorized by the teacher.
• You are responsible for your safety and the safety of those around you. Know where all safety equipment is and how to use it properly. Report any accidents, spills or injuries to the teacher immediately.
• Never eat or drink in the lab.
• Conduct yourself in a responsible manner at all times.
• Dress appropriately in the lab. Wear safety equipment, closed-toed shoes and tie back long hair when working in the lab. Remove loose jewelry.
• Use care when working with chemicals, open flames, heating devices, sharp instruments, glassware, computers and all other lab equipment. If you are unsure how to use such items, ask for help before beginning to work.

• You are responsible for the materials and equipment that you use. Report any problems before beginning the lab. Use only materials and equipment authorized by your teacher, and do not remove equipment or materials from the lab area.

• Clean-up is your responsibility. Be sure to clean your lab area, dispose of materials appropriately, and return CLEAN equipment to its proper place. Students will only be dismissed once the lab is clean and organized.

• If you miss a lab, it is your responsibility to schedule a make-up lab time or assignment, with your teacher, upon your return to school. If you fail to do so, you will earn a zero for the lab assignment.

Shared Athletes / Musicians

When a student who participates in both sports and fine arts has a practice conflict with a rehearsal outside of the class, that student will split time evenly between the two without penalty from either. In addition, a game takes priority over a rehearsal, and a performance takes priority over a practice. No student will face a penalty for missing a rehearsal or practice under this policy.

Special Dietary Needs

Parents of students with special dietary needs should contact the Main Office at (530) 633-3100 regarding the accommodation required. The nature of the child’s disability, the reason the disability prevents the child from eating regular school meals, and the specific substitutions needed must be specified in a statement signed by a licensed physician.

Work Permits

Except in limited circumstances defined in law, all minors under 18 years of age employed in the state of California must have a permit to work (EC 49160; LC 1299). Neither school nor labor officials are empowered to waive, at any time or under any circumstances, any minimum labor standard established by law or regulation.

Minors work with the permission of the local school district, and no law requires schools to issue permits for the maximum hours allowed by law or for every occupation for which a minor might be eligible. Thus, depending on the minor’s particular circumstances or local district policy, school officials may impose additional restrictions at their discretion. Any violation of such special restrictions subjects the permit to revocation (EC 49164).

Permits issued during the school year expire five days after the opening of the next succeeding school year and must be renewed (EC 49118).

Wheatland Union High School requires students to have a minimum 2.0 GPA in order to receive and maintain a work permit.
Top 10 Study Skills for High School Students
Learn helpful study tips to use in high school and beyond.

Have you ever heard someone say that high school grades do not matter? It is true that your college professor will not care about the grade you got in 10th grade geometry, but he will be interested in the study skills you learned along the way.

High school is an important time to learn good study habits and improve your studying techniques. Here are 10 study skills for high school students to help you succeed in college.

1. Manage Your Time Wisely
Get used to keeping track of your time in high school and it will pay off for you in college. You might take as few as three or four classes per semester in college, which is only about 15 hours per week actually spent in class. While you may not sit in class for as many hours as you did in high school, your reading assignments in college will be doubled. Managing your free time is as important as managing your “busy” time.

2. Organize!
Keep a weekly or monthly planner or use a journal. If planners are not your thing, try making “to do” lists, or using your phone calendar to keep track of assignments and important dates and events. Relying on “just remembering” can be difficult when your obligations and assignments start to pile on.

3. Identify How You Learn
Find out what works for you. Are you a flash card girl? Maybe you are a guy who writes down vocabulary words 20 times each to learn them. Experiment with new things but stick to the tried-and-true study skills that have worked for you in the past.

4. Is There a Better Way to Study?
A lot of people cram for tests by studying into the wee hours the night before. Take an honest look at your study habits. Repeated, short sessions of studying are much more effective than a six-hour cram session the night before a final.

5. Catch Some Zzz’s
Do not stay up until 4 a.m. studying for a test! It will not work now, and it will not work in college. Sleep has been scientifically documented to be a significant factor on your GPA as well as how well you perform on other tasks.

6. Attend Class
While high school attendance is a strict business, it is good practice for college. Most college classes will only meet once or twice per week, so they will count that much more. Many professors only allow two to three absences for the entire semester. Miss more than that and your grade sinks - or worse.

7. Ask Questions
Do not be afraid to ask your teachers for help! They are not there to scare you; they are a valuable resource. Students in your class are another great source of information and support. Be sure to exchange phone numbers and email addresses with them during your first few weeks of class. They will not only help with schoolwork, but some of them may even turn into long-time friends.

8. Make Study Groups
Studying with other students and working on assignments together can be helpful too. You can clarify points you may not understand and help others by explaining the parts they find hard. Teaching others may even help you grasp a better understanding of the information as well.

9. Hone Those Writing Skills
Learn the fine art of the college essay and be sure to take notes in class. Writing and note taking are important study skills for high school students transitioning into college. Do not write everything your teacher says but be sure to highlight the important points. You can also compare notes with other students to review parts of the lecture you found difficult or may have missed.

10. Study Outside
Do not just study in the library. Choosing multiple places to study will keep your boredom level low and may even help you perform better on tests.

**Re: Student Injuries and Insurance**

Dear Parent/Guardian:

Wheatland Union High School District does not provide medical insurance coverage for school accidents, including athletics. This means families are responsible for medical bills incurred by their students.

Wheatland Union High School does offer a voluntary student insurance plan, in which many coverage options are available. Brochures that both explain the different coverage options and include sign-up information are in the Wheatland Union High School main office. This information is available throughout the entire school year.

The Student Health Care and High Option 24-Hour Accident plans are recommended for those students with no other insurance coverage because they provide the most help when injuries occur. Student Health Care covers illness as well as injury, 24 hours a day. We strongly recommend the high option plans for students participating in interscholastic sports. If you have any questions about the brochure, please call the plan administrator, Myers-Stevens & Toohey & Company, Inc., at (800) 827-4695 or (949) 348-0565.

Educationally Yours,

Textbook/Library Book Policy

DID YOU KNOW…

The average replacement cost of a textbook is $84.00

1. Both library books and textbooks are checked out from the Wheatland Union High School library. All students must have a student I.D. card to check-out any library materials. Students may check-out one copy of each textbook, unless a doctor’s note, a 504 Plan, or an I.E.P. states otherwise. If a textbook is lost or misplaced during the school year, a new book will be checked-out after the replacement of the lost book has been received or with administrator’s approval.

2. Library books are checked out for a period of three (3) weeks and may be renewed twice. After three weeks, they must be returned or renewed. Overdue books will not be renewed and must be renewed prior to or on the date they are due. The library clerk will make direct contact with students every week who have overdue books. If books are not returned a letter will be sent home to the student’s parents.

3. Every book in our automated library system has a unique barcode number. During check-out, the student’s school I.D. card and the book barcode are scanned and recorded. This process ensures that another student will not have access to an account that is not their own.

4. Students are required to complete a clearance packet prior to participating in any sport. Any student with library materials thirty (30) or more days past due will not receive clearance to participate in WUHS sports programs, purchase dance tickets or participate in school offered extracurricular activities.

5. Any student who has not returned all their books may not be allowed to participate in the following:

   - End-of-year activities
   - Graduation
   - Yearbook Social
