Three portables have been delivered to the WUHS campus and will be renovated. We will be using them for our new Continuation School that opened in March 2019. The school serves students on an alternative high school diploma track.

**Portables**

August 2019

---

Plans are underway to modernize four classroom wings (C, D, F and G). Modernization will consist of replacing lockers, floors, ceilings and painting walls.

**Classroom Modernization**

August 2019

---

1250 +/- bleacher stands and seats, press box and upgraded lighting.

**Bleachers, Press Box and Lighting Upgrades**

August 2019

---

Upgrading of football and soccer fields. In addition, the discus ring and high jump area have been revitalized.

**Sports Fields**
