On March 16, 2020, the Wheatland Union High School District closed schools for live instruction to prevent/mitigate the spread of the COVID-19 virus.

We initially offered enrichment lessons while making the transition to distance learning for the spring semester, which is where we stayed for the remainder of the year.

WUHSD met with stakeholders in late spring to discuss, plan, and create the Reopening Plan to memorialize the district’s plan for providing services to students during the 2020-21 school year. Our initial Reopening Plan was to return to school using a Hybrid Model, but also allowing parents to select an Independent Study path if they were uncomfortable having their children return to school.

On July 17, 2020, Yuba County went on the “Watch List” and schools are not allowed to reopen until the county is off the “Watch List”.

With the passage of SB 98, the annual Local Control and Accountability Plan was suspended for the 2020-21 school year. California school districts are now required to create a Learning Continuity and Attendance Plan to balance the needs of all stakeholders.
CREATE A FLEXIBLE PLAN FOR REOPENING SCHOOL FOR THE 2020-21 SCHOOL YEAR

WUHSD
GUIDING PRINCIPLES

- Safety for all students and staff
- High quality educational program that supports all students
- Equity for all students
- Ongoing support for students and staff
CONTINUITY OF LEARNING

TELE-THERAPY & VIRTUAL PROVISION of related services

LIVE INSTRUCTION and pre-recorded lessons for IEP Goals
CONTINUITY OF LEARNING

• Student Participation/Progress/Engagement
• Professional Development
• Staff Roles and Responsibilities
• Mental Health and Social/Emotional Well-Being
SCHOOL NUTRITION

• Students are served lunch daily (when school is in session) at 2 locations (Plumas Lake and Wheatland).
• In Person:
  • Students will be served breakfast and lunch in the cafeteria line and outdoor kiosks.
  • Lines will be marked for distancing.
  • Dining will have a limited number of seating options in the cafeteria due to distancing which will be clearly marked. Additional outside seating will be provided.
  • Food lines will not require touching a keypad. Students will give their number to the Food service worker.
  • Food service workers will wear appropriate personal protective equipment.
