

Wheatland Union High School

Help us start an On-Site Chapter of Future Business Leaders of America

FBLA is the largest and oldest business student organization in the world. There are over 215,000 members across the nation, student leadership opportunities on all levels, community service projects, conferences, networking, friendships and fun!

Similar to FFA, FBLA is a Career and Technical Student Organization that allows students to prepare for a career in business. As a member or officer of FBLA students will be able to learn new skills; compete at regional, state and national levels; network with other students; attend professional and peer-lead workshops to develop competitive business skills.

What will FBLA do? Trips? Competitions?

What can I get out of it?

What is required of a member?

How do I become an officer (president, vice president, secretary, etc.)?

Come find out!
