Learn Real World Skills

Family, Career and Community Leaders of America (FCCLA) is a Career and Technical Student Organization that functions as an integral part of the Family and Consumer Sciences education curriculum and operates within the school system. Since 1945, FCCLA members have been making a difference in families, careers, and communities by addressing important personal, work, and societal issues. Through participation in Competitive Events, becoming involved in community service opportunities, student leadership, and attending leadership conferences, members develop real world skills, explore Career Pathways, and become college- and career-ready.
